Madison proposes $12.5 million budget

BY COURIER STAFF REPORT

Madison City Council on Tuesday heard the first reading of the city's 2020-21 budget, a $12.5 million package that is about 2.4% higher than this year.

According to Mayor Bob Courtney, the allocation increased despite the city's revenue projections decreasing in several areas this year due to the ongoing COVID-19 pandemic that has shut down businesses and slowed industry and tourism.

He said revenue projections from riverboat gaming, motor vehicle highway funds and cigarette taxes have all dropped about 40% due to the COVID pandemic but that about a 4.2% increase in property taxes — higher evaluations in some cases and new construction in others — allowed the city to fund the budget with some growth.

Compensation for elected officials in 2021 will see the Mayor earn $71,389, Clerk Treasurer $62,446, Council members $6,969 and Board of Public Works members $1,500.

The budget now faces two more readings and it must clear council approval as well as the Indiana Department of Local Government and Finance. A copy of the budget was included in the agenda for Tuesday's meeting and is available online at www.madison-in.gov/AgendaCenter/ViewFile/Agenda/_08182020-639.

In addition to the budget, the council held several first readings of amendments including one refining the city's flood control ordinance with regard to historic structures and another modifying a city traffic ordinance dating back to 1958.

The changes to the flood control ordinance essentially name the city's building inspector as flood plain administrator and put him in a position to evaluate what improvements can be made to historic structures within the flood plain.

Building Inspector Brian Martin said the change is targeted to "allow people to still invest in their properties" while still complying with historic and flood control considerations.

The City of Madison presented this year's Jon Menke Award for Military Service, named after the young Madisonian who died at age 22 on Aug. 4, 2008, in East Baghdad, Iraq, when an improvised explosive device detonated under his truck, Tuesday night. This year's recipients are World War II veterans Don and Mary Bullock. Don, who died in 2018 at age 92, enlisted in the U.S. Navy at age 17 and served aboard the USS Wadsworth Fletcher Class Destroyer throughout the Pacific Theater. Mary Bullock, now 98, enlisted in the Women's Army Corps in February 1945 and served two years as a medical technical.

You may not know the names Adrian Dean and Jackson Bladen yet, but chances are we'll be hearing a lot more from them someday. A Facebook video of Adrian singing "House of the Rising Sun" with Jackson backing on keyboard, garnered 35,000 views almost overnight back in early August. A week later a performance at Mad Paddle Brewery pretty much brought down the house. These guys have a special appeal.

"I've known Adrian since the seventh grade," says Jackson, "but we didn't become really good friends until I talked him into trying out for theater at Madison High School. He really discovered his voice playing various parts in the plays, and he's gained a lot of confidence.

Jackson Bladen, left, and Adrian Dean are pictured.

"So we both graduated this year, and we were at a grad party messing around and we started doing 'House of the Rising Sun'. My dad (Rusty Bladen) heard us and said we should perform at one of his upcoming shows. That's where Jerry Wade from Mad Paddle Brewery caught us on video and put it on Facebook. It went viral after that."

Adrian is the son of Kevin and Noel Dean, and his uncle Steve owns Dean's Body Shop locally. "My older sister Constance was involved with theater before me," says Adrian, "so when Jackson suggested I try out for a part I kind of knew I wanted to do it. I got a few singing parts in the plays. But Jackson has really pushed me to try some new stuff.

"At the Mad Paddle show we did 'House of the Rising Sun' again, but also 'Country Roads' by John Denver, 'Goodbye Yellow Brick Road', 'Take it to the Limit' by the Eagles, and for something completely different, 'Hold the Line' by Toto. We've been very happy with how people have responded and encouraged us."

Jackson Bladen is a member of Madison music royalty, of course, son of Rusty and Andra Bladen,

County seeking bidders for emergency storage facility

Building will house EMA, health department equipment

BY COLLIN OVERTON

Jefferson County is looking for a bidder on a 10,000 square-foot storage building to be built with CARES ACT funds and house equipment for the Emergency Management Agency, Jefferson County Health Department and personal protection equipment for the COVID-19 pandemic, the county announced Tuesday.

Since early in the pandemic, the Jefferson County 4-H Fairgrounds has been used as a central distribution point for state-sanctioned PPE and sanitation equipment serving 11 counties across Region 9 of the Indiana Department of Homeland Security map, County Commission President Dave Bramer said Wednesday. If all goes according to plan, a new, L-shaped building located closer to the Health Department would be

Prosecutor issues school bus safety reminder

BY DAVID SUTTER
SPECIAL TO THE COURIER

Children in our community have begun returning to school, which means we will start seeing school buses on our roadways. I want to encourage everyone to be careful and to follow the school bus stop arm laws, so our kids get to and from school safely.

David Sutter

School bus traffic rules are simple, but vary depending on the style of the roadway:

• **Two-lane roadways:** If a school bus stops on a two-lane road and the red flashing lights are activated with the stop arm extended, all motorists MUST stop.

• **Multi-lane roadways with no barrier between lanes:** When a school bus stops on a multi-lane roadway without a barrier and the red flashing lights are activated with the stop arm extended, motorists in all lanes MUST stop.

• **Multi-lane roadway with a grassy and/or concrete barrier:** When a school bus stops and the red flashing lights are activated with the stop arm extended, only vehicles behind the bus MUST stop. Vehicles that are approaching from the opposite side are NOT required to stop, but should be cautious.

In 2018, three children in Rochester, Indiana were tragically killed and another seriously injured by a motorist who did not stop as she approached a school bus stop arm. The children were struck as they were crossing the road to get on the bus. This tragedy prompted changes to state law that now require school corporations to avoid stopping on highways, to pass through neighborhoods when possible, and to plan routes so that all pick ups and drop offs are on the same side of the road as the bus entrance. Even with these important law changes, motorists should always be alert, throughout the school year, for school buses and our students.

Drivers who illegally pass a stopped school bus can be charged with a Class A misdemeanor, punishable by up to one year in jail and a fine of up to $5,000. If that action injures someone, the offense rises to a Level 6 felony, punishable by six months to 2 1/2 years in prison and a fine of up to $10,000. Recklessly passing a stopped bus and killing someone is a Level 5 felony, carrying a one- to six-year prison sentence and up to $10,000 in fines.

Courts also have the ability to suspend driving privileges for someone who violates the stop-arm law. Driving privileges can be suspended for 90 days or for up to one year for repeat offenders.

Stop arm violators, though, are notoriously hard to catch. Bus drivers are often the only witnesses, and it's hard for them to collect the information necessary to charge a driver. Drivers are worried about getting kids safely on and off their buses, and not focused on catching the license plate numbers of bad motorists. Lawmakers this past year gave school districts new avenues to seek funding for stop-arm cameras that will take pictures of drivers that pass them and the license plates on their vehicles. They also made it easier for that evidence to be used to bring charges against drivers in violation of the law.

Parents can help ensure the safety of their children by teaching them how to safely board the bus. The Indiana State Police has these tips for parents and students:

• Have your children put everything they carry into a backpack or school bag so that they won't drop things along the way.

• Attach a piece of high visibility fluorescent or reflective material to their clothing or backpack.

• Make sure your child stands at least 6 feet (three giant steps) from the road while waiting for the bus.

• If children must cross the street to the bus, remind them to wait for the driver to signal that it's safe to cross.

As we travel the roads together this school year, let's all be mindful of the rules, be careful, and do our part to help get kids safely to and from school. As your Prosecutor, I will continue to work to protect the children of our community in every way possible, including awareness, education and enforcement of school bus stop arm laws.

Madison police locates Kentucky man wanted for domestic battery

BY COURIER STAFF REPORT

Madison Police located and arrested a Kentucky man Monday night after Kentucky State Police relayed that the man was in the Madison area and threatening to kill his fiancee and the couple's child.

At approximately 10 p.m. Kentucky State Police reported that Jason Downey, 30, of Eminence, Kentucky, was believed to be in the Madison area and threatening his fiancee and child, who were reportedly in a vehicle with Downey.

Senior Patrolman Dylan Barnes located Downey, his fiancee, and their minor child, on Vaughn Drive at Jefferson Street. Barnes' investigation determined that Downey had allegedly battered the woman while staying at a local hotel and that the battery had taken place in front of the couple's child.

Based on that investigation, probable cause was established to arrest Downey, who is also being investigated by KSP for an alleged battery against the same woman there.

Downey has been charged with intimidation, domestic battery, criminal confinement and strangulation. The domestic battery charges are enhanced since the incident occurred in front of a minor child. He was lodged in the Jefferson County Jail.

Officer Barnes was assisted in the investigation by Officers Trent Smith, Brad Demaree and Zack Nicholson.

PETS OF THE WEEK

BY COURIER STAFF REPORT

The Madison-Jefferson County Animal Shelter currently has a number of cats and kittens available for adoption as well as several dogs.

Dory is a two-year old gray, domestic medium hair female that loves to be held and scratched. She's an all around sweet heart looking for a furever home.

Teta is three-year-old orange tiger domestic short hair that is a spoiled rotten kitten — hence the name "Teta" which means spoiled child. Teta likes to play all day and gets along great with other cats. If you think Teta's the one for you, contact the animal shelter for adoption.

The Madison-Jefferson County Animal Shelter has pictures of additional pets waiting for adoption for viewing at www.sisaveapet.com.

The shelter is currently open, but in light of COVID-19, will only take appointments and will not accept walk-in customers. To request an appointment, email animal.shelter39@ jeffersoncounty.in.gov. All cats and kittens are $45 off unless they are already spayed or neutered.

DORY

TETA

Volunteers are always welcome at the shelter. Individuals must be at least 16 years old to volunteer. Volunteers can help with everyday cleaning, answering phones, and exercising the pets. Contact the shelter for details.

The shelter is currently in need of plain cat litter, wet kitten food and cat toys. A list of other needed items can be found on the shelter website. Donations can be mailed to 2727 Hannah Drive, Madison, IN 47250 or dropped off during shelter hours.

Those with missing pets can call or email a complete description of the pet, when and where it was last seen, the owner's name and contact information, and a picture of the pet. Pets are held for three days before they are made available for adoption. Animals should not be abandoned outside of the shelter or dropped off at the shelter after hours.

BUDGET

FROM PAGE A1

The amendment to the city's traffic ordinance follows through on a recent executive order to more severely limit weight restrictions on city streets.

Under terms of the new guidelines, there will be a 10-ton gross vehicle weight limit with a few exceptions. Single axle trucks are exempt as are trucks making deliveries, emergency vehicles, school vehicles and agricultural equipment. The change also prohibits the transport of hazardous materials on city streets.

Courtney also gave a report on the free COVID-19 testing clinic the city helped establish in a partnership with the Indiana State Department of Health at the Senior Citizens Center on Main Street.

He said 1,025 people have been tested to date — about 25% of those tested locally since the start of the pandemic — and the program has been extended to Oct. 2.

"This is one way to understand what the prevalence of coronavirus is in the community," Courtney said, noting that Jefferson County continues to fare "extremely well" compared to rest of state. "Residents here are doing a very good job of being safe while trying to establish some level of normalcy."

The downtown testing center, unlike other test sites locally, does not require any virus symptoms to be tested or a recommendation by a doctor or health care worker. Anyone, local resident or not, can be tested simply by scheduling an appointment and showing up.

Later in Tuesday's meeting, the council provide a public comment period where members of the audience could bring matters of importance before the council. Some of the issues raised included:

• Mike Greco, a resident of East Street, asked the city to erect signs prohibiting vehicles from using "jake brakes" on the lower section of US 421 entering the city. He noted now that more heavy trucks are using US 421 due to weight limits, the noise from big diesel trucks early in the morning has become "quite disruptive" for people still trying to sleep.

A jake brake is an engine braking mechanism installed on some diesel engines that, when activated, opens exhaust valves to the cylinders to help slow the vehicle while causing a noise some describe as like hearing a machine gun.

• Jarrett Boyd, a resident of East Third Street, reported an animal control incident involving two unrestrained dogs she encountered recently while walking her dog on Presbyterian Avenue. Boyd said dogs should not be allowed to run free even if their owner can command them through voice instructions. She also noted that city's employees she encountered while filing a complaint and the animal control officer have been slow to respond to her concerns.

Courtney said he would follow up on Boyd's concerns with the police department and animal control officer to determine what has been done with the situation.

• Lisa Ferguson, a resident of East Second Street, passed out small flags to elected officials as part of her proposal that the city get behind a project to make Madison the "most patriotic town in America." She said the city should have bigger American Flags on each utility pole on Main Street and smaller flags and poles on every utility pole in the city and proposed that with local fundraising and city cooperation the project could be accomplished this year.

Ferguson said she would also like to see a pole and flag near the city's welcome sign at the new gateway off the Milton-Madison Bridge. Courtney said plans are in the works for such a flag.

Ferguson also asked the city to make improvement to the basketball court on Vaughn Drive, which currently has a damaged rim. Courtney said the replacement equipment has been ordered and will be installed once received. He noted that there are multiple basketball courts among the city's 27 parks and all are scheduled for improvement over the next few years.

• Tonya Righthouse, a resident of Mouser Street, asked the city to clear debris from a city-owned lot near the intersection of Mouser and Blackmore streets. She said she has mowed the area off and on for many years so that it can be used by children playing but that cables and downed trees are making that impossible currently and that if the city will clear the debris she will continue to mow the area.

Courtney said the COVID crisis and the loss of Department of Correction inmate work details has put extra pressure on the city's street department this summer but pledged to have the debris removed as soon as possible and to put the area on the city's mowing schedule.

The council next meeting is Tuesday, Sept. 8.

TV 15 Board reviews new website and viewership data

BY COLLIN OVERTON

Madison TV 15 interim director Aaron Wood gave the Public Video Service Board a glimpse of the station's redesigned website and presented viewership metrics Monday night ahead of plans to expand the station's programming and recoup revenue lost to local governments.

A few members of the board appeared before Hanover Town Council and Jefferson County commissioners earlier this month to explain changes coming to TV 15 and request that the governments start giving back 50% of the station's franchise fees collected for 2021. In Indiana, 5% of revenue for public access stations is collected by the state, while the rest is then sent to local governments.

Although entitled to nearly all of that revenue under state law and an interlocal agreement with Jefferson County, the Town of Hanover and the City of Madison, TV 15 has been only getting 15% of that revenue back from each entity, which funneled the rest into their annual budgets. Hanover has already agreed to give back 50% while Jefferson County is still working that out in its budget, board member Jan Vetrhus said Monday. The Board is still negotiating with the City of Madison on compensation moving forward.

Full funding would allow TV 15 to budget more than $30,000 a year as it had been doing and upgrade equipment, salaries and new programming. The station is still advertising for a new executive director following the death of former director Dennis Crank last year.

"Hopefully people will understand that these are fees designated by law to Channel 15," Vetrhus said.

Meanwhile, the station is still owed more than $66,000 by Charter Communications, the parent company for Spectrum, in franchise fees dating back to 2008, board chair Larry Henry added. He then referred to an article detailing that four Indiana cities — Evansville, Fishers, Valparaiso and Indianapolis — had taken on streaming giants Netflix, Hulu, Disney, Direct TV and Dish Network in a class action lawsuit and demanded the companies pay 5% franchise fees because they use public internet equipment to transmit programming.

In the case of Valparaiso, franchise fees last year totaled about $30,000 less than in 2017, which was likely due to subscribers switching from cable programming to digital streaming services, he read.

One upgrade presented Monday was a redesign of the TV 15 website, which went live at noon with improved functionality and navigability. Also included is a ticker with page views, an RSS feed for social media and phone numbers for each member of the board that the public can use to make direct calls, Wood said.

He then showcased TV15's metrics on Vimeo since the station started posting its videos there in 2015.

Since then, the site has attracted about 516,000 guests and 40,000 total views. Wood pointed out that only about 11,000 of those views are from Madison locations, meaning a lot of viewership is coming from outside the community.

Most views were also streamed through smartphones — around 17,000 — and the rest were from laptops, tablets and TVs. The station is also in talks with a company for developing a TV15 app that would cost a little over $3,000, Wood said.

The station will also begin broadcasting the Jefferson County Veteran's Council starting Sept. 1, after Wood negotiated with the group to move sensitive or personal discussions to the end of the meeting and not record them.

The station has also been in communication with Jefferson County Veteran's Service Officer Faith Weir on developing content to get information out to local veterans and will be working through that over the next couple weeks, Wood said.

The Public Video Service Board will meet again Sept. 10 at 5 p.m.

built by Dec. 21 and house PPE, vehicles for EMA and additional equipment now taking up space at the Health Department.

The entire project would likely cost between $300,000 and $500,000 and be covered entirely by CARES Act funding, Bramer said. Jefferson County was allotted just over $1 million through the CARES act and used about $27,000 from March to June, mostly on PPE, he said.

Other specifications include two bathrooms with showers, two 36-inch steel doors, an extended parking lot to service new construction on all six sides and a pole barn design with a metal-lined ceiling and interior walls. The structure would stand about 16 feet tall.

Bramer said the county hopes to spend more federal funds on technology and other services in the near future to make remote work easier for county employees amid the ongoing pandemic.

Responses to the request for proposal must be submitted by 4 p.m. on Monday, Aug. 31 to the County Commissioners Office.

both musicians in their own right. "I've been performing on stage since I was two," says Jackson, "and I really started learning piano at around age five.

"All through high school I played pretty regularly on dad's gigs. I've also picked up the guitar and my theater experience as helped me develop my voice. I also want to mention my choir director Theresa Grayson, she really helped me gain confidence.

"I may eventually go to college, but for right now I'm going to take a year and really explore my music opportunities. I have some friends over in Bloomington that might help me get into a band, and my friend Isaac Boone is going to Chicago so I might check out that scene up there.

"In the meantime, me and Adrian will keep working on some more songs, and who knows where that might lead. People really seem to respond to his pure and powerful voice, and it's a lot of fun to see him growing into his new role. Could we maybe see him on American Idol someday? You never know, he has that kind of raw talent."

If you'd like to see the 'House of the Rising Sun' video that caused all the stir, just go to the Mad Paddle Brewery Facebook page. Scroll back through the posts to Aug. 3, and you will find the video. Then hold on tight, because Adrian can really belt it out!

HOT TIP OF THE WEEK

As you may be aware, this was supposed to be Ribberfest weekend before it was cancelled. But take a look at the Music Calendar — four events on Friday and four on Saturday! Not bad for the middle of a pandemic. Most of the shows are outdoors, so if you are COVID-concerned you might consider it. Mad Paddle Brewery is hosting an all-day party on Saturday with food and multiple music acts. And the Broadway Tavern will be hosting music on Friday at their newly acquired outdoor annex (the old corner gas station). Lots of fresh air, lots of fun! See you there.

Charlie Rohlfing is a retired advertising man and partner in The Red Bicycle Hall music venue. Look for his distinctive fedora bobbing above the crowd, anywhere live local music is happening.

Optimism high as Madison kicks off season

BY DAVID CAMPBELL

There are plenty of reasons for optimism this year as Madison football prepares to play its final season in the Hoosier Hills Conference, not the least of which is a brand-new $1.5 million upgrade to its football facility that has everybody associated with the program shaking in anticipation to get the season started.

But it will be a young, talented roster that will be the difference if the Cubs are able to secure just their second winning season in the past 30 years.

Madison opens the 2020 season on Friday with a 7:30 p.m. start against Paoli. The Cubs christened their new field last Saturday with a scrimmage against Floyd Central, but Friday's contest will be the first official game on the new artificial surface.

"They were so amped to play on the field. By the time warmups had ended, they looked

VOLLEYBALL ROUNDUP

Hilltoppers knock off New Washington in opener

BY COURIER STAFF REPORT

Shawe's volleyball team opened the 2020 season with a four-set win over New Washington at home on Monday.

The Hilltoppers scored the victory 25-21, 25-14, 22-25 and 25-21.

"They played some very good volleyball tonight but also had some unforced errors that were costly especially in the third set, but they were able to pull out of it in set four to close out the match with a win," Shawe coach Dennis Kilgore said. "It was nice to get a win right out of the box. With everyone being new to each other, as in players and coaches, along with the COVID rules, they looked pretty good."

Lina Leatherman was 25-for-26 serving with 10 aces and added nine kills, eight digs and five blocks. Abigail Hill was 15-for-16 serving with three aces and 14 assists, Autumn Lathrem was 13-for-16 serving, Emmaline Leatherman was 11-for-15 serving with four, nine kills and three blocks, Taylor Barron had three kills and two blocks and Phoebe Grote had seven digs.

"Abigail Hill did a good job setting the ball and Taylor Barron was very active at the net hitting and blocking," Kilgore said. "Lina and Emmaline Leatherman were a force to be dealt with all over the court tonight, both were extremely active at the net on hitting and blocking, along with great passing and serving."

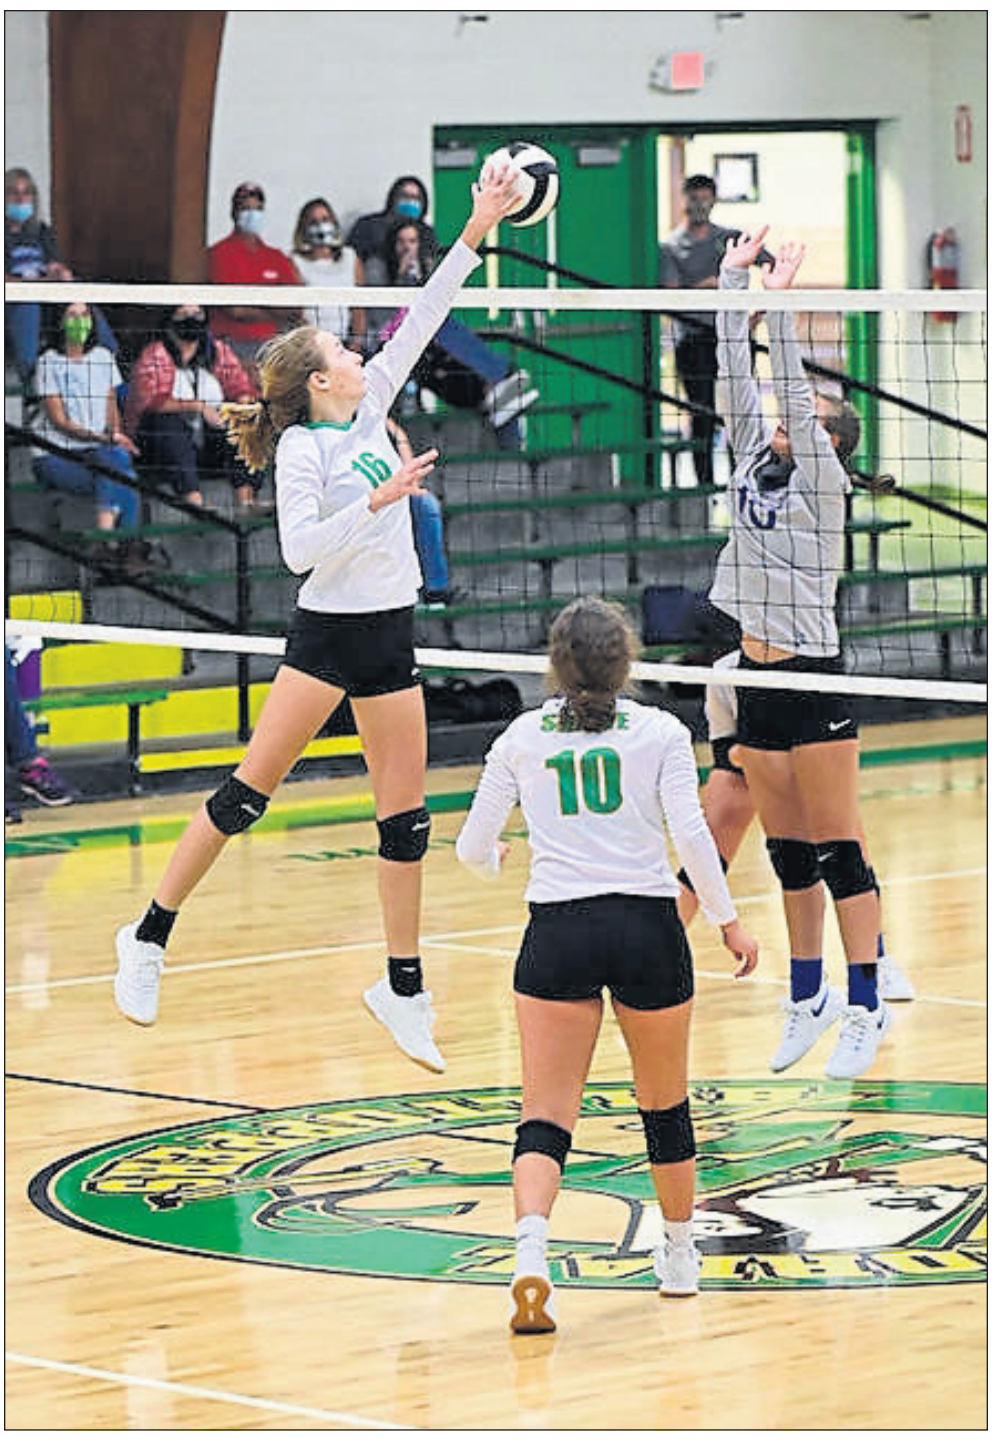
Shawe, now 1-0, hosts Medora on Friday.

REBELS ROLL OVER SOUTH DEARBORN

Southwestern rolled to a 3-0 win over South Dearborn in volleyball Monday in Aurora.

The Rebels won 26-24, 25-9 and 25-18.

"We started off a little slow offensively tonight but our defense was solid early on to keep us in the game," Southwestern coach Chris Johnson said. "I thought we hit the ball better in the second and third sets. Our interior defense let too many balls drop throughout the match but overall a pretty good effort from our team."



John R. Grote

Shawe's Lina Leatherma (16) hits the ball over the net as teammate Abigail Hill (10) backs up during the Hilltoppers' match against New Washington on Monday.

Marissa Naylor had a strong overall match, going 26-for-33 hitting with 12 kills and 12 of-13 serving with five aces for the Rebels. Autumn Harmon had seven kills on 14-for-17 hitting, Elle Ford had seven kills on 14-for-20 hitting, Halee Smith added four kills, and Ashleigh Ream had three kills on 9-for-10 hitting and four aces on 16-for-16 serving and 12 digs.

"I thought Marissa Naylor did a good job of mixing up her shots tonight and looking for scoring opportunities," Johnson said. "Ashleigh Ream was great in the back row and did an exceptional job reading South Dearborn's hitters."

Southwestern, now 3-1 on the season, hosted Clarksville on Wednesday and will travel to Salem on Tuesday.

MADISON FALLS AT BATESVILLE

Madison's young volleyball team battled down to the final serve before dropping a close four-set match at Batesville in the Cubs' season opener on Tuesday.

The host Bulldogs needed extra time to win the first sets by scores of 28-26 and 26-24 before Madison scored a 25-20 win in game three. Batesville then closed out the match 25-22 in game four.

"Our team is fairly young, yet they had drive and fight. We brought the energy and never gave up. I'm very proud of the team that these girls choose to be," Madison coach Camille Crim said. "We are one unit on and off of the court. Each player on the court overcame their own struggles. There is no doubt that we are on a path to success and that we can go far this season! This team is determined to make this a good year despite the time off."

Chloe Preocanin led the Madison offense with 13 kills and was 13-for-16 serving with two aces and had 12 digs. Taylor Harsin was 28-for-32 serving with 11 aces and had seven kills, Kallie Eder had 10 kills, Gracie True went 11-for-13 serving with three aces and had 27 assists, Jenna Rohrer was 12-for-13 serving, and Brooklyn Cornelius was 11-for-11 serving and had 19 digs.

Madison, now 0-1 on the season, travels to Salem tonight and hosts Corydon next Wednesday in its home opener.

Madison featured prominently in two new books

BY DAVID CAMPBELL

The city of Madison and the surrounding sports scene are featured prominently in two books that have been released recently.

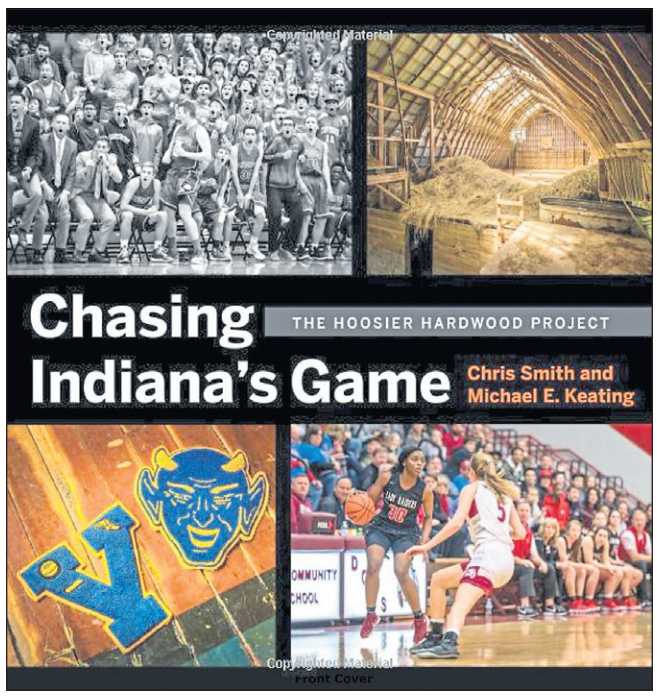
"Chasing Indiana's Game: The Hoosier Hardwood Project" and "Dragon Days: The Story of the Miss Bardahl and the 1960s Kids Who Loved Hydros" both detail sports near and dear to the hearts of Madisonians.

"Chasing Indiana's Game" is a collaborative project by photographers Chris Smith and Michael E. Keating, who scoured the state documenting the game of basketball. The project, which took several years to complete, features 178 photographs of more than 100 historical gyms in the state, including Madison's Connor K. Salm Gymnasium, the Brown Memorial Gymnasium downtown, the historic Armory on Jefferson Street, and Dupont High School.

Beyond the photographs of basketball goals and glossy hardwood floors, Smith and Keating captured short essays recounting stories and memories from community members and some of Indiana's most legendary players and coaches. Spence Schnaitter, the star of Madison's 1950 state championship team, is featured in one such essay.

"Chasing Indiana's Game" released on Tuesday is available from Indiana University Press, Amazon and Barnes and Noble. It is also currently on backorder at Village Lights Bookstore in downtown Madison.

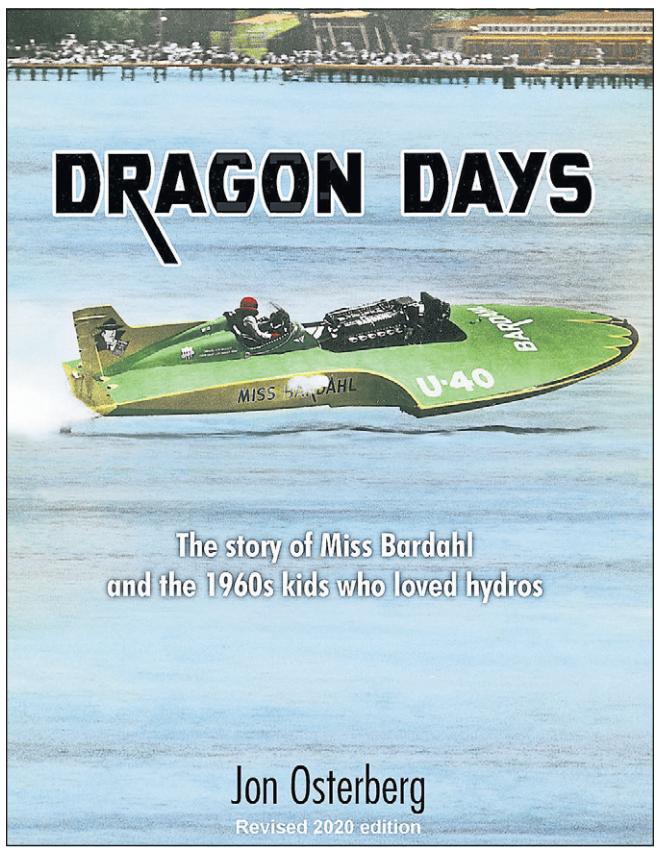
"Dragon Days" tells the story of the Miss Bardahl, which dominated the sport of Unlimited Hydroplane racing in the 1960s. Written by Jon Osterberg, who is a crew member of the restored Miss Bardahl, the book details not only the team's history, but goes behind the scenes to learn what the owners, drivers, crews, boat builders, and their families risked for racing glory.



"Dragon Days," a book by Jon Osterberg, details the history of the Miss Bardahl, which dominated the sport of Unlimited hydroplanes in the 1960s.

Osterberg takes the reader all across the country to tell the story of the sport with races in Madison playing a prominent role. He also recounts how the original "Green Dragon" was found, rescued, restored, and now casts roostertails skyward in exhibition races.

The digital-only book features 402 mostly color photos over 490 pages. It is currently available through Amazon or anywhere ebooks are sold.



"Chasing Indiana's Game," a new book by Chris Smith and Charles E. Keating, is a photo essay detailing the game of basketball in the state, including Madison and Jefferson County.

GOLF ROUNDUP

Shawe freshman Wells medalist in match at Sunrise

BY COURIER STAFF REPORT

Shawe freshman Kira Wells picked up her third-straight medalist performance in the Hilltoppers' tri-meet win over Lawrenceburg and Henryville on Monday at Sunrise Golf Course.

Wells shot a 5-over 41 to finish on top by four strokes. As a team, the Hilltoppers carded a season-best 224 to edge Lawrenceburg by six strokes and Henryville by 20.

Fellow freshman Gia Craig shot a 57 for Shawe while sophomore Bailey Kilgore had a 59. Yolett Perez, another freshman, had a 67.

"Kira hit the ball very well off the tee, stayed out of trouble and putted as well as I've seen her. I asked her what her career best was and she didn't know so we're going to assume this is it," Shawe coach David Hertz said. "Bailey and Gia were solid and Yolett is showing steady improvement as the team continues to play better each time they hit the course. I'm really pleased with their play."

Hannah Fox led Lawrenceburg with a 53, Grace Schmidt had a 57, Ella Shelton had a 58 and Sydney Benson had a 62.

Taytum Easton had a 45 to lead Henryville, Sydney Kleinert had a 58, Annie Spicer a 69 and Emma Wallace a 72.

Shawe returns to action next Monday when it faces Madison, Southwestern and Jac-Cen-Del at Sunrise.

TRIMBLE GIRLS BEAT CARROLL

Trimble County defeated Carroll County in girls golf on Monday at Cardinal Hills Golf Course.

Maddie Stark led Trimble with a personal-best 39.

SEASON

FROM PAGE A5

like they had played a full four quarters," Madison coach Leroy Wilson said of playing on Saturday. "I think this helped us get ready for Paoli because I think the venue is going to be even more rocking this Friday."

Madison went 1-9 last year in Wilson's first season, a record that has been distressingly average for the Cubs. Since 2000, Madison has averaged just 1.7 wins per season, and has won more than two games in a season just five times with a high of six in 2014.

But there are plenty of reasons to think that Madison can break out of that mold this year. A roster full of freshmen and sophomores had trouble putting together a full four quarters last season but they flashed their talent in a 21-20 win at Bedford North Lawrence, just the Cubs' second win over the Stars since 1998.

That talent also surfaced on Saturday in the scrimmage against Floyd Central, a squad that received votes in the Associated Press Class 5A Preseason poll and a team that some believe could challenge Columbus East for HHC supremacy.

Floyd, which features a pair of Division I players on offense, scored the 42-30 win but Madison had its share of highlights. Ironically, despite the score, it was on defense where the Cubs were the brightest with four sacks and several impressive plays.

It's hard to pinpoint a leader on the defensive end. Senior nose tackle Luke Schafer, who was ineligible last season, gave the Highlander offensive line fits all night and allowed junior linebacker Curtis Jacobs (60 tackles last year), sophomore backers Van Skinner (76 tackles) and Aiden Binzer, as well as junior defensive end Christian Bell, to run wild in the offensive backfield. The defensive backfield gave up some big plays, but sophomore corners Kaden Oliver and Collin Yancey also broke up two touchdown passes.

"All of the credit goes to these kids. Coach (Jake) West has them playing very aggressively," Wilson said. "They have been itching all week to be aggressive. I'm an offensive guy and I was like 'let's pump the brakes and save themselves' and then they get out here and they unleash. I'm very proud of their effort."

On offense, the clear leader is senior running back Trenton Barnes, last year's Madison Courier Player of the Year. The multi-faceted Barnes rushed for 523 yards last season and caught 32 passes for 267 more yards. He scored touchdowns in four different ways last season, adding both punt and interception returns to his total. On Saturday, he scored four touchdowns against Floyd in the scrimmage.

"He showed against Floyd that he can play with anyone. He's extremely athletic and the kid has absolutely put in the hardest work I've seen from a kid this summer and he did it by himself," Wilson said. "To perform against talent like that, to run over guys, says a lot about him."

But Barnes is hardly alone. Senior Parker Jones enters his second season as starting quarterback and is a threat to run as well as throw while sophomore Louis Humes and Yancey give the Cubs two very athletic and talented wideouts, catching 48 passes between them as freshmen last year. Senior Luke McCarty caught just 14 passes last year but averaged 11.3 yards per catch and had a knack for making the big catch.

"Each weapon helps the other one out. You've got Yancey on the outside, Barnes on the inside and the other guys. It just makes it easier for the other guys to shine," Wilson said.

This season will mark Madison's final one in the HHC, a conference that the school started in 1972. The Cubs will play officially only six league games again this year but Madison hopes to go out with a bang. Along with its win over BNL, the Cubs felt like they gave away winnable games over Jennings County and Jeffersonville last season and believe that they have a chance to turn the tables.

But Wilson isn't looking too far ahead. With the way the COVID-19 virus has disrupted life this year, he wasn't even sure there would be a football season. So he's just taking it one day at a time, literally.

"Right now, they're ready to play and they're itching and excited just to get the opportunity to play," Wilson said. "I want to play and these kids want to play, and we're going to do whatever it takes to play. If they tell us that we have to come out here in hazmat suits, that's what we're going to do. Whatever we've got to do to play."

Your marriage matters most

ANNIE **LANE**
DEAR ANNIE

Dear Annie: I am a single mom with two kids, who are now adults. My husband is also divorced. He and his ex-wife, "Tricia," have a 12-year-old son. The reason they divorced is that Tricia was caught cheating. But by my mother-in-law's telling, Tricia only cheated because of my husband's own wrongdoings. My mother-in-law always protects Tricia like that: shows her sympathy and insists that she is still part of the family since she's the mother of her first grandson. His other family members don't like Tricia because of what she did.

My mother-in-law and the ex are still good friends, and she always wants her to be involved in our lives.

I'm writing now because my husband's son is staying with us for a vacation. His birthday is coming up, and we're having a party for him. My mother-in-law wants Tricia to join us with the rest of her family. I feel hurt because it seems like my mother-in-law doesn't care about what I feel.

My husband also doesn't seem to care about my situation, even though I told him that I feel offended most of the time for his mother's actions. He will only look at me and say, "You should have known my mom would act this way." — Feeling Jealous

Dear Feeling Jealous: Inviting Tricia to her son's 13th birthday party is the gracious thing to do (assuming things are amicable enough between your husband and her). Dig deep within yourself to find the fortitude. Set your feelings aside for two hours.

Beyond the birthday party, though, it sounds as though your main problem isn't with the ex-wife but with your mother-in-law. You're afraid she's rejecting you. Rather than pouring all your thought and energy into trying to make her like you more than his ex, let it go. The relationship that matters most here is your marriage.

Dear Annie: I just don't know what to do. My husband is always talking and texting young girls. He's even been slapping our granddaughter on the behind and trying to make our younger granddaughter kiss him on the lips. My daughter and I both told him this behavior is unacceptable. He is no longer allowed around any of my grandchildren.

I told him that I wanted a divorce, and he said that he didn't care what I wanted. He said that he was not going anywhere.

Recently, he was also being touchy with some of the ladies where we live. Finally, I told him that I had talked to a lawyer. If he didn't straighten up, then I would sign papers and he'd be out.

So far, he has been behaving himself. But I can never trust him again. And now, on top of this, I have people telling me that he is digging in trash cans for cigarette butts. What should I do? — Disgraced, Disgusted

Dear Disgraced: I'm so sorry you're in this awful situation. From your letter, it sounds like this has been an abrupt personality shift. That could indicate a serious health problem such as dementia, which can damage parts of the brain that impact sexual behavior. You and your husband should consult his doctor, who can diagnose any potential health issues or refer you to a specialist who can better help.

Online actions have in-person consequences

ANNIE **LANE**
DEAR ANNIE

Dear Annie: My direct manager recently deleted me on the networking website LinkedIn. I have repeatedly asked him, in person and through email, why he deleted me, but I receive nothing but vague responses from him. I feel a lack of respect over his deleting me and even more so when he refuses to tell me why he made this decision. We're both adults here; let's be mature. I was shocked that he removed me from his connections. Should I be concerned about my position at the company? Am I at risk of being fired? — Linked Out

Dear Linked Out: Who knows why your manager deleted you. Everyone has different comfort levels with whom they'd like to connect with online. It doesn't mean your job is in jeopardy. But if you keep pestering him about it, you might fulfill your own prophecy.

Dear Annie: I wanted to say that your response to "Wondering in Anywhere, USA" — the person who was wondering whether to correct a friend's "pr-" word mispronunciations — was spot on. Because some people may have a speech impediment, it's best to let those mispronunciations slide. Being hard-of-hearing and having a speech impediment myself, I'll fumble a word here and there and, unless I specifically ask for the correct pronunciation, I expect people to know better than to call it out, as long as they understand what I meant. It's pretty rude to interrupt a person like myself by correcting things I say, because then it can become constant and makes one feel insecure. I went through 12 years of speech therapy, and I'm pretty well understood 99% of the time. I hope my friends and acquaintances will please not focus on the 1% of the time. Just let it go. It might be small stuff to them, but small stuff can bother some people in a big way. When in doubt, don't sweat it. — Gabe K.

Dear Gabe: I appreciate and agree with your perspective. The following is a complementary take on the same issue.

Dear Annie: I just read the letter and your reply to "Wondering" about correcting mispronounced words. While it's possible that these people had a speech impairment, it's also quite possible that they don't know how to pronounce the words. Having taught English to speakers of other languages for over 20 years, I have plenty of experience with people not knowing how to pronounce words. In my case, my students are often lacking confidence as well as English skills, so I find it important not to further damage that confidence. My strategy is not to call attention to their mistake, but rather to matter-of-factly form a question or response that includes the word, pronounced correctly, of course. In that way, they're able to hear the correct pronunciation without feeling they've been "corrected." This is even more important in a group setting, as focusing on the mistake would cause further embarrassment in front of others. They may continue to mispronounce the word, but at least they've heard it said correctly, and hopefully, they'll eventually get it right. — Proud Teacher of English to Speakers of Other Languages

Dear Proud Teacher: Indeed, this could be a subtle way to clue someone into a correct pronunciation. Thanks for your expertise and for helping so many students.

The undersigned Secretary will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by e mail, if an e mail address has been received.

Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, until the time and date specified in the Notice provided at least 24 hours prior to the sale, which is expected to be 11:00 a.m. (Indianapolis Time), on September 9, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in this Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the School Corporation's advisor, Baker Tilly at (317) 465 1500 or PARITY® at (212) 849 5021.

At the time designated for the sale, the School Corporation will receive at the offices of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana, and consider bids for the purchase of the following described Bonds:

Madison Consolidated Schools General Obligation Bonds of 2020 (the "Bonds"), an Indiana political subdivision, in the principal amount of $4,425,000; Fully registered form; Denomination $5,000 and integral multiples thereof (or in such other denomination as requested by the winning bidder); Originally dated the date of delivery of the Bonds; Bearing interest at a rate or rates to be determined by bidding, payable on July 15, 2021, and semiannually thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution (as hereinafter defined)) unless otherwise requested by the winning bidder. Interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Bond is registered with U.S. Bank National Association on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption on January 15 and July 15 beginning no earlier than July 15, 2021 through no later than January 15, 2029 on the dates and amounts as provided by the School Corporation prior to the sale.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the School Corporation's municipal advisor at the address described above until the time and on the date identified in the notice given by, or on behalf of the School Corporation, twenty four hours prior to the sale of the Bonds. Upon completion of the bidding procedures described herein, the results of the sealed, non electronic bids received shall be compared to the electronic bids received by the School Corporation.

If a potential bidder has questions related to the School Corporation, the financing or submission of bids, questions should be submitted by email to the addresses above no later than 11:00 a.m. (Indianapolis Time) on September 4, 2020. To the best of the School Corporation's ability, all questions will be addressed by or on behalf of the School Corporation and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on September 4, 2020. Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

The Bonds are not subject to optional redemption prior to maturity.

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

The Bonds have been designated as qualified tax exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th or 1/100th of 1%. The maximum interest rate of the Bonds shall not exceed 4.00% per annum. All Bonds maturing on the same date shall bear the same rate. No bid for less than 99.50% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith (the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Corporation than the best bid received at the time of the advertised sale will be considered.

A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of $44,250 payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the School Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the School Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the School Corporation and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.

The Bonds are being issued for the purpose of the renovation of and improvements to facilities throughout the School Corporation, including site and athletic improvements and the purchase of equipment, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6 1.1 20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this shortfall. The School Corporation is a school corporation organized pursuant to the provisions of I.C. 20 23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.

The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

The School Corporation has prepared a Preliminary Official Statement (the "Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the School Corporation's municipal advisor, Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687. Within seven (7) business days of the sale, the School Corporation will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered by an underwriter, the School Corporation agrees to enter into a fourth supplement to continuing disclosure undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2 12, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or municipal advisor at the addresses below.

The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.

Further information relative to said issue and a copy of the Preliminary Official Statement may be obtained upon application to Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687, municipal advisor to the School Corporation; or Jeff Studebaker, Superintendent of the School Corporation, 2421 Wilson Avenue, Madison, Indiana 47250. If bids are submitted by mail, they should be addressed to the School Corporation, attention of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240 2687.

(2) any other costs incurred by the county that are directly attributable to the tax sale; and
(E) any unpaid costs due under IC 6-1.1-24-2(c) from a prior tax sale.

If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus five percent (5%) per annum interest on the amount by which the purchase price exceeds the minimum bid on the property. This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.

The County does not warrant the accuracy of the street address or common description of the property, and a misstatement in the key number or street address does not invalidate an otherwise valid sale.

Minimum bid amounts are prescribed by law and are subject to change prior to the auction date.

Pursuant to IC 6-1.1-24-3(e), property descriptions may be omitted for properties appearing on the certified list in consecutive years. A complete property list may be obtained at www.sriservices.com or in an alternative form upon request.
